Dear Chairwoman Granger and Ranking Member DeLauro,

I am requesting funding for lighting improvements to I-65 underpasses in the city of Louisville, KY. The entity to receive funding for this project is the Louisville Metropolitan Government located at 527 W Jefferson Street, Louisville, KY 40202. The funding would be used to add lighting features that improve safety for all modes of transportation beneath the underpasses where I-65 meets Liberty, Market, Jefferson, and Main streets in Louisville. The project is appropriate for taxpayer funds because it will improve safety and visibility in these busy underpasses and provide better lighting and sense of place for all modes of transportation.

The project has a Federal nexus because the funding provided is for purposes authorized under 23 USC 133.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Morgan McGarvey
Member of Congress
